Dear Shaw University Community,

In preparation for Homecoming Week festivities, please be advised of temporary parking adjustments on campus to accommodate planned events and ensure a safe and enjoyable experience for all.

All vehicles must be removed from the Dimple Newsome / Fleming Key Parking Lot and the Shaw Beach Area by 5:00 p.m. on Wednesday, October 28, 2026. Vehicles remaining in these areas after the deadline are subject to being towed at the owner's expense.

Alternate parking locations are available in the following areas:

- Along the curb on S. Person Street (adjacent to Dimple Newsome & Fleming Key)
- Shaw University Villa Parking Lots (610 & 632 Person Street)
- C.C. Spaulding Gymnasium Parking Lot
- Additional parking is also available on nearby streets, including E. Lenoir Street (adjacent to TOS), Blount Street, E. South Street, and Bloodworth Street.

Please note that the Shaw Beach parking area will reopen for everyone (students, faculty, staff, alumni, and guests) on Thursday morning, October 29, 2026, at 7:00 a.m., complete with staffing to assist with orderly parking and traffic flow.

Normal parking operations across campus will fully resume on Friday, October 30, 2026 at 10PM.

We appreciate your cooperation and understanding as we prepare the campus for a safe and successful Homecoming celebration. Please plan accordingly and relocate your vehicles prior to the stated deadline to avoid towing.

Thank you for your attention and continued support.

Sincerely,

Shaw University Police & Public Safety Department
